

WEDDING SECRET WAS WELL KEPT

Announcement of Trip to California Brings News of Marriage of Young Couple.

When Mr. and Mrs. E. E. Miller, Osborne st., leave to make their home in California, there will be one less in the party than they expected. Miss Isal Rhodes, the daughter of Mrs. Miller, who was expected to be the other party in the trip will stay in South Bend. She is the wife of Jay O. Barnes, Jr., and the announcement of the marriage was made Tuesday by Mrs. Barnes in order to avoid being taken west and being separated from her husband. On Nov. 12 the young couple skipped to St. Joseph, Mich., and found an obliging clerk and minister who aided them in becoming man and wife. They returned to South Bend with the determination to tell no one for some time. They managed to keep their secret until the family decided to go to California. Then Mrs. Barnes decided that it was best to tell of the marriage in order to be permitted to remain in South Bend. Mr. Barnes is the son of Mr. and Mrs. Jay O. Barnes, sr., 226 E. Indiana av. He and his bride are well known in the city.

ASSISTANT NURSE WAS NECESSARY IN NOVEMBER

Association and Children's Dispensary to Cooperate on Calls in Future.

Pressure of work during the month of November was so great for the visiting nurse that an assistant nurse was necessary and will probably be permanently employed throughout the winter. The nurse's report and the report of the treasurer were made Tuesday morning at the regular meeting of the Visiting Nurse association in the association rooms. Mrs. E. E. Austin was also appointed chairman of the Christmas committee and plans were made to co-operate with the nurse at the Children's Dispensary to avoid overlapping of the work of the two institutions. According to the treasurer's report over \$400 was realized by the charity ball and the association wishes to thank all those who assisted in making the ball a success as well as those who contributed to the Thanksgiving baskets. During November 226 visits were made by the visiting committee; 82 calls were made by the visiting nurse in addition to 20 visits to tubercular patients and 23 calls for the Metropolitan Life Insurance Co.

TWO BIG LOOP BUILDINGS THREATENED BY CAVE-IN

CHICAGO, Dec. 3.—Two of the largest buildings in Chicago's loop district, the Marshall Field retail store and the Masonic Temple—were in danger Wednesday as the result of a sudden cave in of Randolph street. For a distance of 100 feet the pavement collapsed and sank to a depth of from six to twelve feet early Wednesday. Two large water mains and a dozen small gas mains were broken. Gas and water were shut off in the district. Heavy damage was done to underground telephone and electric light wires.

How to Detect the Alum Baking Powder

"Which are the alum baking powders; how can I avoid them unless they are named?" asks a housekeeper.

Here is one way: take the can of a low-priced powder in your hand and read the ingredient clause upon the back label. The law requires that if the powder contains alum that fact must be there stated. If you find one of the ingredients named alum, or sulphate of aluminum, you have found an alum baking powder.

There is another and a better way. You don't have to know the names of the alum powders. Use Royal Baking Powder only; that assures you a cream of tartar powder, and the purest and most healthful baking powder beyond question.

INITIATE LARGE CLASS

A class of 75, one of the largest that was ever received into a lodge in the city, was initiated at the rooms of Crusade lodge, No. 14, Knights of Pythias, Tuesday night. Nearly every member of the lodge was present. The new members were secured through the membership campaign conducted by the order.

When looking about for something pretty and appropriate for Christmas mailing, and especially adapted for sovereign greeting to your friends, stop into Freyermuth's Art Store and examine the little booklet "Reflections" by Flora Williams Wood, also her Christmas cards under the title "The Prince of Peace."

The author, whose home is at Maplewood, near Elkhart, Ind., is a granddaughter of the late O. P. Bronson, one of the Bronson brothers, who organized the first band of music in South Bend, Ind., and for whom Bronson st. was named.

The Bronsons were among the first early settlers of South Bend, in the year of '49. —Advt.
